

OFFICE OF THE INSPECTOR GENERAL OF POLICE, RAJASTHAN, JAIPUR.

CIRCULAR. No. 22. ✓

It appears that there are no hard and fast instructions laid down for the relieving of guards at the Rulers' Palaces with the result that the personnel at some of these guards have been there for a pretty long time. They have not only become slack but complaints have been received against some of them for their lethargy, indiscipline etc.

It is, therefore, ordered that, in future, the turning over of guards at the Rulers' Palaces shall be done every month, unless it is possible to do so fortnightly.
