

OFFICE OF THE I.G. OF POLICE RAJASTHAN.

No. V/A3-42-53/6585

Dated the 16th Aug., 1954.

C I R C U L A R. No-96. ✓

According to the practice in vogue the pay of the departmental cadets who are sent for training at the Police Training School, Kishangarh, is drawn in their parent district offices and then remitted to the school for payment to the cadets under training. This takes time and eventually delays disbursement of their pay. This system is also defective. In future the parent district will issue Last Pay Certificates in respect of such cadets whose pay will be drawn by the Principal, P.T.S., Kishangarh during the period the cadets are under training at the P.T.S. and will be debited to the budget concerned. Separate bills will be drawn for different minor heads and full classification noted on the bill. The Principal, P.T.S. will also send a statement of expenditure on this account to the Unit concerned every month.

2. The Distt. Officer will not fill up the post for so long as the holder thereof is under training at the Police Training School and draws his pay from his Distt. He will also endorse a certificate in the Last Pay Certificate that the post in respect of which the L.P.C. is being issued will be kept vacant till the trainee draws his pay from his Distt.

3. When the training is over and the cadets return to their home districts their L.P.Cs. will be issued by the Principal, P.T.S.

4. The above procedure bears the approval of the Accountant General.
